

St. George's Church

Newsletter Sunday 30th September 18

We give you a warm welcome to church, we hope you are blessed as we praise and give thanks to God.

This morning we welcome and thank David Morgan from Wycliffe Bible Translators for bringing us God's word. Wycliffe believes in universal access to the Bible for all. They want everyone to have the chance to engage with the message of Jesus – in the language that speaks to them best. For over 60 years, they've been working alongside communities around the world, creating partnerships, and training local people to translate the Bible. Kevin York will be leading us in worship.

If you would like to receive prayer after the service, please speak to a member of the prayer team who will be at the back of the church. Words to the songs, hymns and bible readings are projected onto the screen during the service, however, if you would like a hymn book or bible please speak a welcomer, who this week is Stella Greenwood.

Please join us for refreshments in the hall after the service.
