For your prayers.

- Comfort the many who are isolated at home, quarantined in ICU's, and families who do not get to say "good bye," to lost loved ones
- Sustain those who are depressed and soothe those who are so very anxious.

St. George's Church – Leadership team. Additional Clarification. There have been many questions, maybe a few rumours too about the statement from the Leadership team that was circulated last Sunday. A couple of clarification statements have been sent out. If you missed both then one is shown below. I have also attached the additional more detailed clarification statement to the email just in case you missed that.

"Dear friends,

In response to those who have been wondering if there is anything dreadful that we are not sharing with you, can I reassure you that the situation shared with you in my previous statement is, as stated, due to a breakdown in relationships and differences of opinion regarding church leadership. There is no gulf in theological or liturgical positions and there has been no great crime, terrible sin, or safeguarding breach. If any of you still has concerns, then please ring me and I will do my best to help.

Kind regards, Jonathan Lee (as church secretary)"

24th May 2020 Church Service – Music. We continue to use music from the **Church of Hillsong** this week. Remember the music is being streamed over the internet and as such will use a significant amount of bandwidth. The platform has been tested and optimised many times, but the quality will not be great.

If you don't like the streamed version then download and play the file from the link that is included in the newsletter email each week, then re-join the online service and catch up when you have finished. Just remember to keep your microphone on mute. Thanks

However, if you would still like to join us, then all you need to do is open up the GoToMeeting app – the box shown below will appear. Enter the meeting access code **667 187 101** where it is circled below. This is the same code for the service this Sunday and all Online services.

To download the application – then go to this webpage and click the download button - <https://support.goto.com/meeting/help/download-now-g2m010002>

Don't forget to invite your friends to join us. All they need to do, is visit our website www.st-georges-urc-hemel.org.uk. There is a link on the home page, if they click on that then they will be taken to our online service. Share the code with them.
