For your thoughts & prayers.

- For **Bryan** as he leads the Church for the first time.
- Giving thanks for those who do practical work around the church such as cleaning, grass cutting, flower arranging, coffee making.
- That kindness underlies all that is done at St George's.
- For the home groups, meeting via zoom, that they can support and encourage one another.
- That we all be blessed by the morning service and open to God's message to us
- For the Ladies Book group who meet via Zoom
- For the 2 new Elders as they settle down into their roles and use their gifts to serve the church
- For the older members of the church that they may feel valued
- That we would attract many new people to the church
- That the crèche, Junior Church and youth groups would be full to overflowing
- For the BMC as they organise future workdays and look after the church buildings

Holiday season is upon us. Just a reminder to everyone that some people will plan a holiday during the summer months. I myself will be away for most of August. So please aware, that on occasion, this will prevent us from providing all the things that make up our usual Sunday service.

Musician Update. A quick update, the keyboard player that indicated he may be interested in joining our worship band team has now decided not to join us. The search goes on and I plan on meeting someone else this week.

Communities 1st, in partnership with Hertfordshire County Council are working together to provide lateral flow covid home testing kits to local faith communities. They are prepared to make available to us testing kits which you can pick up from the Church. One box of test kits will allow testing of one person for 3-4 weeks based on self-testing twice a week.

If you are interested please can you let me know – I will need about 10 people to make it viable for them – currently I have less than 5
