Climate Change. Funded by Hope for the Future - We have received this offer (via CTHH) from Rachel Mander, Church Outreach Officer at Hope for the Future who writes:

- I work for a charity called Hope for the Future, which was set up in 2015 by a group of churches ahead of the 2015 general election, with the purpose of helping churches respond to climate change by building relationships with their local MP.
- We've got some very specific funding to work with churches in the constituency of Hemel Hempstead, essentially guiding a group (which can be as small as 2-4 people) through the process of meeting with their MP, which includes all the training & research to support this work.

If anyone is interested in taking up this offer, then please reply directly to Heather Lewis - secretary@cthh.org.uk, if there are several people interested, a group can be set up to progress the idea. Alternatively, if you would like further information their website is www.hfff.org.uk or Rachel can be contacted on rachel.mander@hfff.org.uk or phone 0114 312 2619.
